RECARO Classic Line – to fit the BMW E30

# THE NEW CLASSICS FOR YOUR E30 CLASSIC.

"RECARO is the best seat in the world. The RECARO Pole Position looks incredible and is amazingly comfortable on long journeys."

Jean Pierre Kraemer  
Tuner, TV presenter and  
CEO of JP Performance

Do you love classic Bavarian vehicles as much as we do? Then we've got good news for you! We have added a new version of our RECARO Classic Pole Position (ABE) and our RECARO Classic LS to our range – designed to be a perfect fit for BMW E30.

Both seats are covered with an exclusive "houndstooth" fabric to give that authentic 1980s look. Add to that the high-quality black leather and custom-designed baseframe, and there's nothing stopping you from enjoying pure driving pleasure next time you take your classic car out on the open road.

# RECARO CLASSIC LINE

Only RECARO seats have been personally checked by Walter Röhrl and given his approval for their superb characteristics. Our Classic seats are no exception. They are recognizable by the special "Approved by Walter Röhrl" endorsement.

### Nothing beats the Original. In safety.

Who is better placed to build seats for your classic car than the brand that originally built the seats for many automotive manufacturers in the first place? The RECARO Classic Pole Position (ABE) and the Classic LS echo the outstanding design of RECARO seats from the 1980s, making them the perfect complement to classic car interiors – including your BMW E30. They are the culmination of everything we know today about safe, ergonomic seating. This means you no longer have to choose between authentic appearance and modern safety standards.
