

**RECARO**

A REAL CLASSIC FOR YOUR HOME

RECARO Classic LX Star

# PROPER SITTING IN ITS MOST BEAUTIFUL FORM.

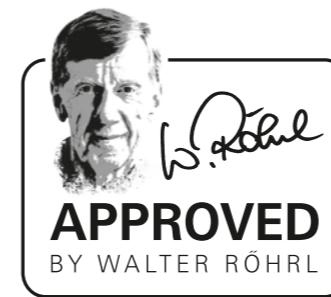

Curved shapes. Almost forgotten colours and materials. Genuine craftsmanship. Do you love classic vehicles as much as we do? Then we have good news for you! You don't have to do without a real classic at home either.

To accompany our overhaul of the RECARO Classic Line, we have also added swivel chairs with all the retro flair of the 1980s to our automotive lifestyle range. And as they have guaranteed original car seats, we have to meet the much higher standards of the automotive industry! How seats should be – now in the workplace too.

**True craftsmanship. Every inch luxurious.** A great deal of traditional craftsmanship goes into our seats. From the delicate seams and seat upholstery to the superb finish, the finely honed skills of our craftsmen shine through. Not even the tiniest detail escapes their expert eye, ensuring that every single feature underlines RECARO's claim to premium status.

Only RECARO seats have been personally checked by Walter Röhrl and given his approval for their superb characteristics. Our Classic seats are no exception. They are recognizable by the special "Approved by Walter Röhrl" seal.

**Unique. Ergonomic.** RECARO desk chairs also have all the attributes that define a high-quality business chair. The seat is shaped to replicate the human spine and fit like a glove. It supports your body perfectly and ensures a healthy posture even when sitting for hours. With numerous adjustment options and functions. With casters that glide easily over various types of floor. So that every sitting position is ergonomic and gentle on your back.

**RECARO Classic LX Star.** The RECARO Classic LX Star was designed based on genuine RECARO Automotive classics from 1984, featuring a retro look in black leather combined with traditional materials such as classic corduroy, classic checkered fabric and Pepita fabric. Every RECARO Classic seat fulfills the highest possible standards in craftsmanship, style and individual comfort. With its paddable lumbar support to match the body size, an adjustable headrest and a special, ergonomically shaped seat cushion, the RECARO Classic LX Star is a true master of adaptation and a genuine highlight at any desk – at home or at work. A real business chair. Not only for fans of classics vehicles.
