STANDARD ADJUSTMENT FEATURES

Dual Recliner Gears

Dual recline gears make adjusting the seat-back smooth and easy.

Thigh Extension & Tilt

Seat cushion extends and tilts upward and downward, allowing for fit from a 5th percentile female up to a 95 percentile male.

Adjustable Shock Suspension with (1) Adjustable Shock

Pneumatic suspension with 6" suspension travel. Allows operator to adjust the suspension to individual comfort needs.

Pneumatic Adjustable Lumbar

3 separate chambers fill with air independently allowing for individually optimized lumbar support.

Adjustable Seat-Back Bolsters

Manually adjust the seat-back bolsters inward or outward for a personalized seat fit. Choose from two back bolster configurations.

Seat-Back "Dump" Release

Quickly and easily adjust the seat-back forward for easy access behind the seat.

STANDARD QUALITY AND DURABILITY FEATURES

Solid Steel Back

High quality solid steel back for the best in strength and durability.

High Density Foam

Quality high density foam keeps its shape over time and provides superior comfort and firm support.

Fully Supported Seat Cushion

The seat pan fully supports the seat cushion for long lasting durability comfort.
