JUMP IN, TAKE CONTROL

Drive performance meets comfort. The RECARO Cross Sportster CS is the perfect combination of comfortable sports seat and pure racing shell. The innovative lightweight shell boasts an exclusive slim design, plus outstanding lateral and shoulder support.

The RECARO Cross Sportster CS differs from the Sportster CS in its much flatter seat cushion. This makes getting in and out much easier in high vehicles like SUVs.

FEATURES AND ATTRIBUTES

- RECARO proprietary ergonomics: S-shaped backrest designed to align the spinal column in its most natural and healthy position.
- RECARO Automotive's proprietary integrated lumbar support technology provides superior comfort and support and pronounced side support at thigh, thorax and shoulder area to fix the driver's body in a safe position
- Look and feel of a racing seat, with comfort for everyday driving
- Easy access seat cushion with backrest bolsters that provide firm lateral hold
- Shoulder, back and thigh bolsters designed to hold you in a correct seating position for high performance driving
- Integrated headrest and belt pass-through openings
- Belt slots for 3- and 4-point belt
- Reclinable backrest
- Integrated headrest
- Manual backrest release for rear seat access
