THE ULTIMATE ROAD PRO

A thoroughbred racing shell licensed for a sporty ride on the open road. Tried and trusted by the world's most famous secret agent! The RECARO Pole Position (ABE) is the ultimate track-road crossover seat. With a one-piece shell made of glass-fiber reinforced plastic (GFRP) or carbon fiber (CF) and flawless ergonomics, no wonder it has a long-standing track record as one of club motorsport's most popular racing shells. Many exclusive car manufacturers upgrade their top performance models with the Pole Position ABE.

FEATURES AND ATTRIBUTES

- RECARO proprietary ergonomics: S-shaped backrest with "built-in" lumbar support that protects against spinal compression in high-impact accidents
- Belt slots for 4-point belt
- Also suitable for use with a 3-point belt
- Integrated headrest
- ABE (German general type approval) component certification*
- Paddable lumbar support
- Optional Seat Shell: Glass fiber reinforced plastic (GFRP) or Carbon Fiber (CF)

* Seat with ABE (German general type approval)/component certification with 3-point belt available for many vehicles.

SPECIFICATIONS

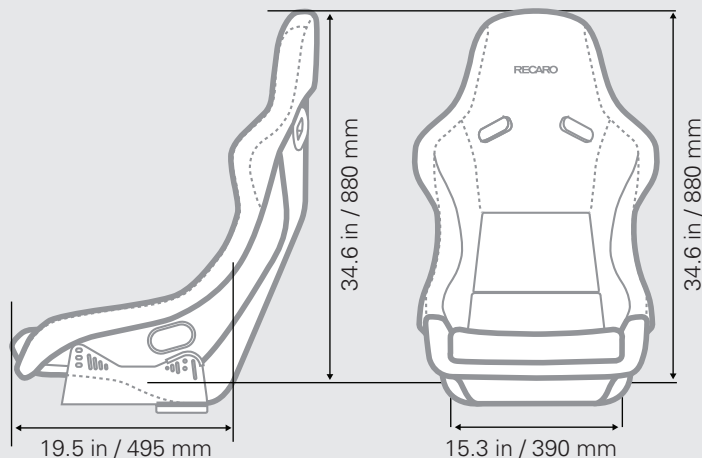

Weight: 15.4 lbs / 7.0 kg (GFRP)
XX lbs / XX kg (CF)

Max height: 34.6 inches / 880 mm

Max seat cushion depth: 19.5 inches / 495 mm

Max seat cushion width: 15.4 inches / 390 mm
