### FOR PROS WHO LIKE TO WIN

The tough, lightweight Pro Racer SPA is our top product for GT and touring car racing. It provides optimal body support during high g-forces, lightweight with its Carbon-Kevlar® composite shell, plus great long-term driver comfort and safety. That adds up to a competitive edge in driving performance.

The Pro Racer SPA's ergonomic S-shaped shell fits the natural curve of your spine, providing "built-in" structured lumbar support that protects against spinal compression in high-impact accidents.

### FEATURES AND ATTRIBUTES

- FIA certified and crash tested
- Certified for 5 year's use in FIA-sanctioned races
- Side-impact neck protection developed and optimized to work with head and neck safety systems
- RECARO high-integrity, Carbon-Kevlar® comfort shell
- XL seat fits average-size North American drivers; the standard size fits smaller drivers
- Aggressive thigh and torso bolstering
- High-quality, durable, shock-absorbing foam
- RECARO friction grip at shoulders
- Flame-retardant upholstery
- Suitable for 4, 5, or 6-point harnesses
