SUPERB STYLE

The RECARO Speed V seat is based on our popular Speed model, with unique design features and fabrics that will complement the styling of high-end sports cars and sports sedans. The seat was inspired by our racing shells, and is designed for the rigors of performance driving.

When you sit in a RECARO Speed V seat, you can feel the difference that superior ergonomics can make. The entire seat is lined with thick, dense, high-quality foam that keeps you firmly in place and ensures long lasting support and comfort.

FEATURES AND ATTRIBUTES

- A high-value sports seat with high-end styling and high-tech features.
- RECARO's proprietary integrated lumbar support technology provides superior comfort and support.
- Look and feel of a racing seat, with comfort for everyday driving
- Pronounced seat cushion and backrest bolsters provide firm lateral hold
- Shoulder, back and thigh bolsters designed to hold you in a correct seating position for high-performance driving
- Backrest easily adjustable with a manual dial for millimeter precision
- Integrated headrest and belt pass-through openings
- Optional subhole in Speed V cushion for 5-point harness
- Seatback tilt-forward release and recline adjustment on both sides – same seat works for driver and front passenger sides
- Flame-retardant materials
